NOTICE OF MOTION PURSUANT TO SECTION 105(a) OF THE BANKRUPTCY CODE AND BANKRUPTCY RULE 9019 FOR AUTHORIZATION TO SETTLE CERTAIN PREPETITION DERIVATIVES CONTRACTS WITH LEHMAN BROTHERS HOLDINGS INC. AND CERTAIN OF ITS AFFILIATES

To the Certificateholders of
FIRST FRANKLIN MORTGAGE LOAN TRUST 2006-FF8

(Classes and CUSIPs are listed on Schedule A attached hereto)

Re: First Franklin Mortgage Loan Trust 2006-FF8

Ladies and Gentlemen:

Reference is made to that certain Pooling and Servicing Agreement, dated as of June 1, 2006 (the “Transaction Document” and with the other related agreements, collectively, the “Transaction Documents”) among Financial Asset Securities Corp, as depositor (the “Depositor”), National City Home Loan Services, Inc., as servicer and Deutsche Bank National Trust Company, as trustee (the “Trustee”) and supplemental interest trust trustee (the “Supplemental Interest Trust Trustee”) with respect to the First Franklin Mortgage Loan Trust 2006-FF8 (the “Trust”). Capitalized terms used in this notice and not defined in this notice shall have the meanings assigned to such terms in the Transaction Documents.

You have been previously notified of the following events:

- (i) On September 15, 2008, Lehman Brothers Holdings Inc. (“LBHI”), an affiliate of Lehman Brothers Special Financing, Inc., the counterparty (the “Derivative Counterparty”) and a guarantor of that certain (x) 1992 ISDA Master Agreement with the Trustee with respect to the supplemental interest trust (the “Supplemental Interest Trust”) relating to the First Franklin Mortgage Loan Trust 2006-FF8, Asset Backed Certificates, Series 2006-FF8 dated as of June 29, 2006 (together with any schedules or related documents, the “Trustee Derivative Contract”) and (y) 1992 ISDA Master Agreement with the Supplemental Interest Trust Trustee with respect to the Supplemental Interest Trust relating to the First Franklin Mortgage Loan Trust 2006-FF8, Asset Backed Certificates, Series 2006-FF8 dated as of June 29, 2006 (together with any schedules or related documents, the “SIT Derivative Contract”), filed a petition under Chapter 11 of the Bankruptcy Code with the United States Bankruptcy

Court for the Southern District of New York (the “Bankruptcy Court”). LBHI, the Derivative Counterparty and other affiliates are collectively referred to herein as the “Debtor.” The Trustee Derivative Contract and the SIT Derivative Contract are together, the “Derivative Contracts.”

(ii) On October 3, 2008, the Derivative Counterparty filed a petition under Chapter 11 of the Bankruptcy Code with the Bankruptcy Court.¹

(iii) On October 3, 2010, the Derivative Counterparty filed an action in the Bankruptcy Court against the Trust (the “Lehman Action”). In the Lehman Action, the Derivative Counterparty sought, among other relief, a declaratory judgment that provisions in Transaction Documents that would modify payment priorities to subordinate certain termination payments to the Derivative Counterparty constitute unenforceable *ipso facto* clauses and that any action to enforce payment priorities that subordinate payments to the Derivative Counterparty as a result of a bankruptcy filing violates the automatic stay under the Bankruptcy Code.

(iv) On September 1, 2011, the Bankruptcy Court entered an amended order approving the Disclosure Statement (the “Disclosure Statement”) for Third Amended Joint Chapter 11 Plan of LBHI and the Derivative Counterparty (the “Plan”). On December 6, 2011, Honorable James M. Peck of the Bankruptcy Court, United States Bankruptcy Court for the Southern District of New York confirmed the Plan. Copies of the Plan and the related Disclosure Statement, as well as other filings made in the Bankruptcy Court, may be obtained at <http://chapter11.epiqsystems.com>.

(v) On September 18, 2009, each of the Trustee and Supplemental Interest Trust Trustee filed on behalf of the Trust proofs of claim with respect to certain claims related to the Trustee Derivative Contract and SIT Derivative Contract, respectively, against LBHI and the Derivative Counterparty.

(vi) As more particularly set forth in a notice from the Trustee dated January 12, 2012, by letter dated October 6, 2011 through its counsel, the Derivative Counterparty made demand (the “Debtor’s Demand”) for payment for amounts allegedly owed under the Derivative Contracts from the Trust. Among other things, the Derivative Counterparty asserted that (i) the Derivative Contracts have matured pursuant to its terms, (ii) a payment was owed to the Derivative Counterparty as a result thereof, (iii) if the Trust did not pay all amounts alleged to be due to the Derivative Counterparty, Derivative Counterparty would take appropriate action in the Bankruptcy Court and (iv) interest accrued and continues to accrue on amounts alleged to be due to Derivative Counterparty at the rate of LIBOR plus 13.5%. The Debtor’s Demand also demanded that the Trustee, on behalf of the Trust, agree to settle the Derivative Contracts and pay to Derivative Counterparty amounts enumerated in Debtor’s Demand (which amount includes interest as calculated by the Debtor). To date, the Trustee has not received any notice or direction from the Trust, the Depositor or Certificateholders regarding any actions to be taken with respect to the Derivative Contracts.

NOTICE IS HEREBY GIVEN THAT:

1. Because of the circumstances described above and certain other issues involving other derivative contracts were being litigated or were subject to potential litigation in the Bankruptcy Court, the Trustee, in consultation with counsel, withheld and continues to withhold payments purported to be owed to the Derivative Counterparty (the “Disputed Funds”) under the Derivative Contracts. The Trustee

is currently holding the Disputed Funds in its capacity as escrow agent under an escrow arrangement, pursuant to which the escrow agent will only disburse the Disputed Funds upon a final order of the Bankruptcy Court.

2. The Debtor now seeks to settle the claims asserted against the Trust alleged in the Lehman Action and the Debtor's Demand. On July 24, 2012, the Debtor filed that certain Notice of Motion Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019 for Authorization to Settle Certain Prepetition Derivatives Contracts with Trusts for which Deutsche Bank National Trust Company Serves as Indenture Trustee and Related Relief (the "Motion") and accompanying proposed order (the "Proposed Order"). If the Motion is approved and the Proposed Order entered, the Debtor and the Trustee, on behalf of the Trust, will enter into a settlement agreement (the "Settlement Agreement") pursuant to which the Debtor will settle claims asserted by it in the Lehman Action and the Debtor's Demand in exchange for the Trust's release and payment of the Disputed Funds to the Debtor less reasonable and documented fees and expenses of the Trust and excluding any interest asserted by the Debtor (the "Settlement Amount"). A copy of the Motion, Proposed Order and Settlement Agreement is attached to this Notice as Exhibit A. UPON MAKING THE PAYMENT OF THE SETTLEMENT AMOUNT TO THE DERIVATIVE COUNTERPARTY, THE DERIVATIVE CONTRACTS AND ANY RELATED GUARANTEES OF LBHI SHALL BE DEEMED DISCHARGED AND TERMINATED FOR ALL PURPOSES AND BE OF NO FURTHER FORCE AND EFFECT. IN ADDITION, ALL CLAIMS OF EITHER THE TRUST OR THE DEBTOR AGAINST THE OTHER PARTY RELATED TO THE DERIVATIVE CONTRACTS WILL BE RELEASED, INCLUDING WITHOUT LIMITATION ANY PROOFS OF CLAIM FILED BY THE TRUSTEE ON BEHALF OF THE TRUST. MOREOVER, THE PROPOSED ORDER APPROVING THE SETTLEMENT AGREEMENT WILL PROVIDE THAT THE CERTIFICATEHOLDERS WILL BE PERMANENTLY ENJOINED FROM ASSERTING CLAIMS ARISING OUT OF THE NEGOTIATION AND IMPLEMENTATION OF THE SETTLEMENT AGREEMENT AGAINST THE PLAN ADMINISTRATOR (AS DEFINED THEREIN), LBHI, THE DERIVATIVE COUNTERPARTY, THE TRUSTEE (IN SUCH CAPACITY OR IN ITS INDIVIDUAL CAPACITY) AND THEIR LEGAL COUNSEL AND/OR FINANCIAL ADVISORS.

3. A hearing (the "Hearing") to consider the Motion has been scheduled for August 23, 2012 at 10:00a.m. (EST) at the Bankruptcy Court located at the United States Bankruptcy Court, Alexander Hamilton Customs House, Courtroom 601, One Bowling Green, New York, New York 10004. At that hearing, your rights as a Certificateholder may be affected. You may wish to seek legal advice concerning the effect of the Motion on your legal rights as a Certificateholder. The above information is intended to be a summary of certain provisions in the Motion and other proceedings and does not purport to be complete and is subject to and qualified in its entirety by reference to the Motion. You should not rely on this notice as your sole source of information. Certificateholders are urged to review the Motion and Proposed Order. IF YOU WISH TO OBJECT TO THE MOTION, YOU MUST FILE AN OBJECTION BEFORE THE OBJECTION DEADLINE AND SERVE THE OBJECTION IN THE MANNER SET FORTH IN THE NOTICE OF THE MOTION. YOUR OBJECTION MUST BE FILED AND RECEIVED BY NO LATER THAN AUGUST 17, 2012 AT 4:00 P.M. (PREVAILING EASTERN TIME) (THE "OBJECTION DEADLINE"). You must also be prepared to appear with your attorney at the Hearing to be heard on the grounds of your objection. Please be advised that the hearing to consider the Motion may be adjourned from time to time without further notice to creditors or parties-in-interest other than an announcement of the adjourned date at the hearing. THE TRUSTEE MAKES NO RECOMMENDATIONS AND GIVES NO INVESTMENT, LEGAL OR TAX ADVICE TO SECURITIES HOLDERS. EACH HOLDER IS STRONGLY ADVISED TO CONSULT WITH ITS OWN FINANCIAL, TAX AND/OR LEGAL ADVISORS REGARDING THESE MATTERS.

The above information is intended to be a brief summary of certain provisions in the Motion and accompanying exhibits and does not purport to be complete and is subject to and qualified in its entirety by reference to such documents.

The Trustee reserves all rights to take whatever action it deems necessary and appropriate in order to effectuate the terms of the Settlement Agreement as approved by the Bankruptcy Court, unless otherwise directed prior to the objection deadline by the requisite Certificateholders or other deal parties authorized to do so pursuant to the Transaction Documents. Subject to the provisions of the Transaction Documents, unless the requisite Certificateholders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby, the Trustee shall be under no obligation to exercise any of the trusts or power vested in it by the Transaction Documents or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Certificateholders. If you would like to discuss a direction and indemnity regarding the Trustee's exercise of its rights and remedies, or provide direction and indemnity to the Trustee to object to the Motion, please contact the Trustee at the contact information provided below by August 10, 2012 at 4:00p.m. (eastern prevailing time).

The Trustee may conclude that a specific response to particular inquiries from individual Certificateholders is not consistent with equal dissemination of information to all Certificateholders.

The Trustee has incurred and expects to continue to incur fees and expenses in connection with the Motion, and Certificateholders are reminded that amounts owing to the Trustee may include, but are not limited to, expenses incurred by it in connection with the administration of the Trust and the performance of its duties under the Transaction Documents.

MOTION PURSUANT TO SECTION 105(a) OF THE
BANKRUPTCY CODE AND BANKRUPTCY RULE 9019 FOR
AUTHORIZATION TO SETTLE CERTAIN PREPETITION DERIVATIVES
CONTRACTS WITH TRUSTS FOR WHICH DEUTSCHE BANK NATIONAL
TRUST COMPANY SERVES AS INDENTURE TRUSTEE AND RELATED RELIEF

TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. (“LBHI” or the “Plan Administrator”), as Plan
Administrator under the Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers
Holdings Inc. and Its Affiliated Debtors (the “Plan”), respectfully represents:

Preliminary Statement

1. After more than two years of discussions, negotiations and the initiation of
litigation, Lehman Brothers Special Financing Inc. (“LBSF”) and Lehman Brothers Derivatives
Products Inc. (“LBDP”, and together with LBSF, the “Lehman Counterparties”) have reached an
agreement with Deutsche Bank National Trust Company (“DB Trust”), in its capacity as
indenture trustee or trustee (the “Trustee”) for certain trusts, regarding the payments of the

amounts due to the Lehman Counterparties under certain interest rate swap agreements. The proposed settlement, as evidenced by a certain Settlement Agreement between the parties, dated July 24, 2012 attached hereto as Exhibit A (the “Settlement Agreement”), avoids the need for complex and costly litigation regarding certain issues relating to payments due to the Lehman Counterparties under their respective swap agreements that matured or terminated after the Commencement Date. The settlement represents a compromise among the parties regarding the payments on the swap agreements that, in the Plan Administrator’s business judgment, is in the best interests of LBSF, LBDP and their respective estates.

Background

2. Commencing on September 15, 2008, and periodically thereafter (as applicable, the “Commencement Date”), LBHI and certain of its subsidiaries (the “Chapter 11 Estates”) commenced with this Court voluntary cases under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). These chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

3. On December 6, 2011, the Court approved and entered an order confirming the Plan. The Plan became effective on March 6, 2012. Pursuant to the Plan, the Plan Administrator is authorized to administer the assets of the LBSF and LBDP.

Jurisdiction

4. This Court has subject matter jurisdiction to consider and determine this motion pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

Relief Requested

5. The Plan Administrator requests authorization, pursuant to section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019 to enter into the Settlement Agreement

which provides for the settlement of the swap agreements identified on Exhibit B annexed hereto (the “Swap Agreements”) in the amounts set forth on Exhibit B (the “Settlement Amounts”).

The Swap Agreements

6. In the ordinary course of their businesses prior to the Commencement Date, LBSF and LBDP were active participants in the swap markets and entered into various types of swap agreements, including interest rate swaps. LBSF and LBDP are each party to one or more separate Swap Agreements with four of the trusts identified on Exhibit B attached hereto (the “Trusts”). Generally, under their respective Swap Agreements, the Lehman Counterparties had an obligation to pay to the Trusts a floating interest rate, based on one-month USD-LIBOR-BBA (“One Month LIBOR”), plus a specified spread on a specified amortizing notional amount. The Trusts had the obligation to pay to the applicable Lehman Counterparty a fixed rate of interest on the same notional amount. LBHI guaranteed the applicable Lehman Counterparties’ obligations under each Swap Agreement.¹ DB Trust serves as Trustee for each of the Trusts.

Events Relating to the Swap Agreements Subsequent to the Commencement Date

7. Subsequent to the Commencement Date, as indicated on Exhibit B, five of the Swap Agreements matured in accordance with their own terms (the “Matured Swaps”) and three of the swap agreements were terminated by LBDP (the “Terminated Swaps”) by sending notices of termination to the respective Trusts.

8. Due to low prevailing One Month LIBOR rates since the Commencement Date, with respect to the Matured Swaps, the Lehman Counterparties were “in the money” on their respective Swap Agreements each payment date prior to the applicable maturity date. As a

¹ The descriptions of the Swap Agreements are provided for summary purposes only. To the extent that the descriptions of the Swap Agreements in this Motion conflict with the terms of a particular Swap Agreement, the terms of such Swap Agreement shall control.

result, the Lehman Counterparties assert that, generally, on each payment date specified in the Swap Agreements the Trusts were obligated to make a net payment to the applicable Lehman Counterparty. Prior to the applicable maturity dates, the Trusts did not make the required monthly payments to such Lehman Counterparty under the Swap Agreements, and instead, escrowed or otherwise set aside such payments. As of the date hereof, the Trusts that are party to the Matured Swaps have retained approximately \$39.6 million in the aggregate as payments due to LBSF and \$3.5 million as payments due to LBDP under the Matured Swaps. The Plan Administrator agrees that the amounts set aside are the correct amounts that were payable on such payment dates under the Matured Swaps.

9. As to the Terminated Swaps, on September 16, 2008, LBDP sent a notice of termination to the Trusts and Trustee terminating the Terminated Swaps. On September 25, 2008, LBDP sent a statement indicating the termination amount of \$717,055.64 in the aggregate and demanding payment such amount. The Trustee requested that LBDP provide additional information supporting such calculations. Because of certain disputes with respect to the interpretation of the transaction documents and applicable law, each Trust continued to distribute amounts otherwise payable to LBDP to the applicable holders of notes issued by such Trust. As a result, these Trusts do not have funds set aside that are available to distribute to LBDP.

10. The Trustee asserts that the Trusts have withheld payments from the Lehman Counterparties on the grounds that each Swap Agreement provides that upon an event of a default by the applicable Lehman Counterparty, such Lehman Counterparty's right to payment is either modified or eliminated. The Lehman Counterparties contest the enforceability of such provisions and assert that the Trusts did not have the right to withhold payment under the Swap Agreements prior to maturity or upon their termination based on the occurrence of events of

default caused by the bankruptcy filing of the applicable Lehman Counterparty. Despite the arguments of the Lehman Counterparties, the repeated demands for payment, and the Bankruptcy Court's ruling in the *Motion of Lehman Brothers Special Financing Inc. to Compel Performance of Metavante Corporation's Obligations under Open Derivatives Contract*, Hr. Tr. Sept 15, 2009, the Trusts have thus far refused to make the required payments. LBDP also contests the enforceability of the modification of its payment rights to having a lower payment priority than security holders, and asserts that the Court previously ruled on such matter in *See, LBSF v. BNY Corp. Tr. Serv.*, 422 B.R. 407 (Bankr. S.D.N.Y. 2010). The Trustee asserts that the factual circumstances of the Swap Agreements distinguish their Swap Agreements from the agreements subject to the above rulings and have asserted other defenses to payment.

11. The Lehman Counterparties assert that interest has continued to accrue on the amounts due and unpaid under the Swap Agreements at the default interest rate. Section 2(e) of each Swap Agreement provides that "a party that defaults in the performance of any payment obligation will . . . be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand . . . for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate" (as that term is defined in the Agreement). The Trustee disputes the accrual of interest on such amounts and the rate asserted by the Lehman Counterparties.

12. On October 1, 2010, LBSF and LBDP filed an adversary proceeding, Adv. P. No. 10-03809 (the "Swap Agreement Adversary Proceeding"), against the Trustee and certain of the Trusts (collectively, the "Swap Defendants") alleging, among other things, that the Swap Defendants were the recipients of avoidable transfers relating to certain of the Swap Agreements. The Swap Agreement Adversary Proceeding has been stayed by order of this Court.

The Settlement

13. Pursuant to the Settlement Agreement, the Lehman Counterparties and the Trustee on behalf of the Trusts have agreed that each Trust will pay the applicable Lehman Counterparty the respective Settlement Amount. The Settlement Agreement provides that the Settlement Amount for each Trust is equal to (a) 100% of the cash withheld by the Trust on account of payments under its Swap Agreement, less (b) reasonable and documented fees and expenses of the Trust, and excluding (c) any interest. To the extent the Swap Agreements with LBDP were terminated and the applicable Trusts did not set aside any amounts as payments due under their Swap Agreements, the Settlement Amount for such Trusts is \$0.

14. The Settlement Agreement resolves all amounts due under the Swap Agreements. As a result, pursuant to the Settlement Agreement, (a) the proofs of claim filed by each Trust against LBSF, LBDP and LBHI on account of the Swap Agreements and the guarantees thereof (Claim Nos. 18492, 18497, 18494, 18540, 18512, 18498, 18500, 18501, 18503, 18505, 18507, 18491, 18495, 18493, 18510, 18514, 18496, 18499, 18502, and 18506) (the “Claims”) will be disallowed and expunged, (b) the Swap Agreement Adversary Proceeding will be dismissed, and (c) other than those obligations arising under the Settlement Agreement, the parties release each other from all other claims arising from or relating to the Swap Agreements, the Transactions thereunder, or any guarantee thereof, their negotiation, execution, performance, any breaches (or claimed breaches) thereof or thereunder, or their termination.

15. The Plan Administrator, on behalf of the Lehman Counterparties, is authorized to settle the Swap Agreements without further Court approval pursuant to the Plan. However, the Trustee has agreed to the terms of the proposed settlement and the Settlement Amounts, subject to the filing of this Motion, which provides the holders of the notes issued by the Trusts with notice of, and an opportunity to object to, the proposed settlement. The Trustee

has notified holders of notes issued by the Trusts and requested that they provide instruction with respect to the Swap Agreements, but has received no response and has not been directed by such holders to take or refrain from taking any specific actions with respect to the Swap Agreements since the Commencement Date.

**Settlement of the Swap Agreements Is Reasonable and
in the Best Interests of LBSF's and LBDP's Estates and Their Creditors**

16. The settlement of the Swap Agreements in the Settlement Amounts should be approved under section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019. Section 105(a) of the Bankruptcy Code provides that “[t]he court may issue any order that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Bankruptcy Rule 9019 provides, in part, that “[o]n motion by the [debtor-in-possession] and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). In granting a motion pursuant to Rule 9019(a), a court must find that the proposed settlement is fair and equitable and is in the best interests of the estate. *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968); *Fisher v. Pereira (In re 47-49 Charles St., Inc.)*, 209 B.R. 618, 620 (S.D.N.Y. 1997); *In re Ionosphere Clubs, Inc.*, 156 B.R. 414, 426 (S.D.N.Y. 1993), *aff'd*, 17 F.3d 600 (2d Cir. 1994).

17. The decision to approve a particular settlement lies within the sound discretion of the bankruptcy court. *Nellis v. Shugrue*, 165 B.R. 115, 123 (S.D.N.Y. 1994). It is the responsibility of a court to examine a settlement and determine whether it “falls below the lowest point in the range of reasonableness.” *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983); *In re Spielfogel*, 211 B.R. 133, 144 (Bankr. E.D.N.Y. 1997). Additionally, a court may exercise its discretion “in light of the general public policy favoring settlements.” *In re Hibbard Brown & Co., Inc.*, 217 B.R. 41, 46 (Bankr. S.D.N.Y. 1998).

18. While a court must “evaluate … all … factors relevant to a fair and full assessment of the wisdom of the proposed compromise,” *Anderson*, 390 U.S. at 424-25, a court need not conduct a “mini-trial” of the merits of the claims being settled, *W.T. Grant Co.*, 699 F.2d at 608, or conduct a full independent investigation. *Drexel Burnham Lambert Group*, 134 B.R. at 496. “[T]he bankruptcy judge does not have to decide the numerous questions of law and fact. . . . The court need only canvass the settlement to determine whether it is within the accepted range of reasonableness.” *Nellis v. Shugrue*, 165 B.R. at 123 (internal citations omitted).

19. The court may give weight to the “informed judgments of the … debtor-in-possession and their counsel that a compromise is fair and equitable, and consider the competency and experience of counsel who support the compromise.” *Drexel Burnham Lambert Group*, 134 B.R. at 505 (internal citations omitted); *see also In re Purofied Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993); *accord In re Ashford Hotels Ltd.*, 226 B.R. at 802 (“Significantly, that test does not contemplate that [the court] substitute [its] judgment for the Trustee’s, but only that [the court] test his choice for reasonableness.... If the Trustee chooses one of two reasonable choices, [the court] must approve that choice, even if, all things being equal, [the court] would have selected the other.”).

20. The settlement of the Swap Agreements will resolve disputes between the Lehman Counterparties and the Trustee that have been ongoing for more than two years, and will result in LBSF receiving \$38,610,271.40 and LBDP receiving \$3,255,537.54 that will be distributed to creditors of such estates. The settlement results in LBSF and LBDP receiving all amounts (less certain fees and expenses of the Trustee) due to them under their respective Swap Agreements that has been set aside by the Trusts. In order to receive such amounts without

complex and costly litigation, the Plan Administrator has agreed to forego its request for default interest accrued on the amounts due from the Trusts.

21. Inasmuch as LBDP terminated three of the Swap Agreements shortly following LBHI's Commencement Date, it is only entitled to collect the termination payments asserted in the valuation statements provided to the Trusts. These Trusts have continued to make distributions to the holders of the notes since the Commencement Date and have not set aside any cash on account of the Swap Agreements. The amount set aside on account of the one LBDP Matured Swap that will be paid to LBDP under the settlement exceeds the total amount asserted as due to LBDP on the four LBDP Swap Agreements. As a result, the Plan Administrator has determined that the litigation risk and the cost and expense of seeking to recover amounts on account of the Terminated Swaps, and recoveries from such litigation, if any, are outweighed by the potential recovery to LBDP under the settlement.

22. Accordingly, the Plan Administrator has determined that it is in the best interests of each of LBSF and LBDP, their estates and creditors to settle the Swap Agreements. The Settlement Amounts are the product of the well-informed judgment by the Plan Administrator and supported by its professionals. In light of these factors and in furtherance of the Plan Administrator's duties to maximize the value of the assets of the chapter 11 estates, the settlement of the Swap Agreements is an exercise of sound business judgment, satisfies the standards for approval of settlements under Bankruptcy Rule 9019, and should be approved.

23. In addition, the Plan Administrator and the Trustee seek to have the settlement of the Swap Agreements binding on all holders of notes issued by the Trusts. The Trustee is providing notice of the settlement of the Swap Agreements and the respective Settlement Amounts to all registered holders of notes issued by the Trusts, and all other holders

who have identified themselves to the Trustee, in accordance with standard procedures with respect to notices, and advising such holders of the filing of this Motion and of their respective opportunity to object thereto. The Trustee has informed the Plan Administrator that it will file an affidavit setting forth the steps taken by the Trustee to provide notice to the holders of the notes issued by the Trusts

Notice

24. No trustee has been appointed in these chapter 11 cases. The Plan Administrator has served notice of this Motion on (i) the U.S. Trustee; (ii) the Securities and Exchange Commission; (iii) the Internal Revenue Service; (iv) the United States Attorney for the Southern District of New York; (v) the Trustee; (vii) the Trusts, and (viii) all other parties entitled to notice in accordance with the procedures set forth in the second amended order entered on June 17, 2010 governing case management and administrative procedures for these cases [Docket No. 9635]. The Plan Administrator submits that no other or further notice need be provided.

25. No previous request for the relief sought herein has been made by the LBSF, LBDP or the Plan Administrator to this or any other court.

WHEREFORE the Plan Administrator respectfully requests that the Court grant the relief requested herein and such other and further relief as is just.

Settlement Agreement

SETTLEMENT AGREEMENT

This Settlement Agreement (the “Settlement Agreement”) is made and entered into as of July 24, 2012 by and between Lehman Brothers Holdings Inc. (“LBHI”), Lehman Brothers Special Financing Inc. (“LBSF”), Lehman Brothers Derivatives Products Inc. (“LBDP”) and Deutsche Bank National Trust Company (“DB Trust”), solely in its capacity as indenture trustee or trustee (the “Trustee”) for the trusts identified on Exhibit A attached hereto (the “Trusts”) (each of LBHI, LBSF, LBDP and the Trustee, a “Party” and collectively, the “Parties”). Capitalized terms not defined herein shall have the meaning ascribed to them in the Indenture.

RECITALS:

WHEREAS, LBSF or LBDP entered into one or more swap transactions (the “Transactions”) with certain of the Trusts, which agreements are identified on Exhibit A attached hereto (the “Swap Agreements”).

WHEREAS, LBHI guaranteed the obligations of LBSF and LBDP, as applicable, under the Swap Agreements.

WHEREAS, commencing on September 15, 2008 (the “Commencement Date”) and thereafter, LBHI and various of its affiliates, including LBSF and LBDP, filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Cases”).

WHEREAS, on September 16, 2008 and September 25, 2008, LBDP delivered notice of termination to the Trustee and the applicable Trusts terminating three of the Swap Agreements as indicated on Exhibit A.

WHEREAS, as indicated on Exhibit A, five of the Swap Agreements matured in accordance with their terms subsequent to the Commencement Date.

WHEREAS, the Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and its Affiliated Debtors (the “Plan”) was confirmed by the Bankruptcy Court on December 6, 2011 and became effective on March 6, 2012.

WHEREAS, the Parties understand and acknowledge that the effectiveness of this Settlement shall be subject to the entry by the United States Bankruptcy Court of an order approving this Settlement Agreement.

NOW, THEREFORE, in consideration of the recitals set forth above and promises made herein, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

Section 1. Direction and Payment.

(a) The Trustee, on behalf of the Trusts shall pay to LBDP and LBSF, as applicable, the amounts set forth on Exhibit A attached hereto without deduction, set-off or counterclaim (the “Settlement Payments”) within three (3) Business Days of the Effective Date (as defined below) using the wire transfer instructions set forth on the attached Exhibit B.

(b) The Parties acknowledge that the Settlement Amount for each Trust is equal to (i) 100% of the cash withheld by the Trust on account of payments under its Swap Agreement, less (ii) reasonable and documented fees and expenses of the Trust, and excluding (iii) any interest. To the extent the Swap Agreements with LBDP were terminated following the Commencement Date and the applicable Trusts did not set aside any amounts as payments due under their Swap Agreements, the Settlement Amount for such Trusts is \$0.

Section 2. Release.

(a) Upon making the payment of the Settlement Amount to LBSF or LBDP, as applicable, the Swap Agreements (including for the avoidance of doubt, all Transactions thereunder) and any guarantee thereof issued by LBHI shall be deemed discharged and terminated for all purposes and be of no further force and effect.

(b) This Settlement Agreement is entered into for settlement purposes only. Nothing contained herein shall be deemed an admission of any kind (whether an admission of liability or otherwise) by the Parties, or any of their affiliates, officers, directors or agents, in connection with and any all rights, remedies, claims, issues or defenses of the Parties regarding the Swap Agreements, the Transactions thereunder, or the indentures. In furtherance of and without limiting the generality of the foregoing, nothing herein shall constitute, or be deemed or construed to be, an agreement (or otherwise to create any obligation) on the part of any Party, including the Trustee, whether as Trustee or in any other capacity, to agree to any terms, or to enter into any agreement, or to take (or forbear from) any action with respect to any matter not explicitly provided for herein.

(c) In consideration of each other Party’s execution of this Settlement Agreement and payment of the Settlement Amounts without deduction, setoff or counterclaim to LBDP and LBSF, as applicable, each Party hereby generally releases, discharges and acquits each other Party (including DB Trust, individually and as Trustee and in any other capacity with respect to the Transactions) and their respective current and former agents, servants, officers, directors, shareholders, employees, subsidiaries, divisions, branches, units, parents, attorneys, successors, predecessors, heirs, personal representatives, and assigns (collectively, the “Released Transaction Parties” and each of the foregoing, is a “Released Party”), from all manners of action, causes of action, judgments, executions, debts, demands, rights, damages, costs, expenses, and claims of every kind, nature, and character whatsoever, whether in law or in equity, whether based on contract (including, without limitation, quasi-contract or estoppel), statute, regulation, tort (including, without limitation, intentional torts, misrepresentation, defamation, breaches of alleged fiduciary duty, recklessness, gross negligence, or negligence, but excluding fraud or willful misconduct) or otherwise, accrued or unaccrued, known or unknown, matured, unmatured, liquidated or unliquidated, certain or contingent (collectively “Claims”), that such releasing Party

ever had or claimed to have, or now has or claims to have presently or at any future date, against any Released Party arising under or related to the Swap Agreements, the Transactions thereunder, or any guarantee thereof, their negotiation, execution, performance, any breaches (or claimed breaches) thereof or thereunder, or their termination.

Section 3. Settlement of Claims.

(a) The proofs of claim filed by the Trusts and the Trustee based on the Swap Agreements against LBSF, LBDP and LBHI (Claim Nos. 18492, 18497, 18494, 18540, 18512, 18498, 18500, 18501, 18503, 18505, 18507, 18491, 18495, 18493, 18510, 18514, 18496, 18499, 18502, and 18506) shall be disallowed and expunged, and the court-appointed claims agent is authorized to modify the claims register accordingly.

(b) Within seven (7) days of the receipt of the Settlement Payments, LBSF and LBDP shall dismiss all applicable adversary proceedings filed against the Trustee and the Trusts.

Section 4. Representations. Each Party represents and warrants to each other Party that (i) subject to section 6 hereof, the execution, delivery, and performance by such Party of this Settlement Agreement are within the powers of such Party and have been duly authorized by all necessary action on the part of such Party, (ii) this Settlement Agreement has been duly executed and delivered by such Party and constitutes a valid and binding obligation of such Party, enforceable against such Party in accordance with the terms hereof, (iii) it is not relying upon any statements, understandings, representations, expectations, or agreements other than those expressly set forth in this Settlement Agreement, the Indemnity Agreement and documents delivered in connection therewith (iv) it has made its own investigation of the facts and is relying upon its own knowledge and the advice of its counsel, and (v) it knowingly waives any and all claims that this Settlement Agreement was induced by any misrepresentation or non-disclosure and knowingly waives any and all rights to rescind or avoid this Settlement Agreement based upon currently existing facts, known or unknown. The Parties agree and stipulate that each Party is relying upon the representations and warranties in this Section in entering into the Settlement Agreement. Furthermore, the Parties agree that these representations and warranties are a material inducement for entering into this Settlement Agreement. These representations and warranties shall survive the execution of this Settlement Agreement indefinitely without regard to statutes of limitations.

Section 5. Execution in Counterparts. This Settlement Agreement may be executed in any number of counterparts and by different Parties in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page by facsimile or PDF transmission shall be as effective as delivery of a manually executed counterpart.

Section 6. Effectiveness. The Parties agree that the effectiveness of this Settlement Agreement is subject to the entry of an order (“Order”) by the Bankruptcy Court, in form and substance reasonably acceptable to the Parties, approving the terms of this Settlement Agreement under Rule 9019 of the Federal Rules of Bankruptcy Procedure (“Bankruptcy Rules”), which Order has become final and non-appealable or, if a timely appeal is filed, upon dismissal of such

appeal or the affirmance of the Order on appeal with no further opportunity to appeal (the “Effective Date”). The Parties further agree that at any time prior to the hearing seeking the entry of the Order, the Trustee may, upon the objection of certificateholders holding at least 10% in the aggregate of the outstanding principal amount of any class of certificates of a Trust (which has not otherwise been resolved prior to the entry of the Order), withdraw a particular Trust from this Settlement Agreement. The Trustee shall promptly provide notice to LBSF or LBDP, as applicable, of any such objection to the settlement the Trustee receives from certificateholders. For purposes of clarity, the withdrawal of any Trust from the terms of this Settlement Agreement shall not affect the terms of this Settlement Agreement with respect to any remaining Trusts.

Section 7. Governing Law. This Settlement Agreement will be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York (including Section 5-1401 of the New York General Obligations Law), without regard to conflicts of laws principles that would require the application of the law of another jurisdiction. The Bankruptcy Court shall have exclusive jurisdiction over any action or proceeding with respect to this Settlement Agreement and each Party agrees to submit to such jurisdiction and to waive any defense based on the location or jurisdiction of such court.

Section 8. Special Provision for Unknown Claims. All rights under Section 1542 of the California Civil Code, or any analogous state or federal law, are hereby expressly WAIVED, if applicable, with respect to any of the claims, injuries, or damages described in the release in Section 2. Section 1542 of the California Civil Code reads as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.”

Section 9. Execution by Trustee. The Trustee is executing this Agreement solely in its capacity as the Trustee and not in its individual capacity. This Settlement Agreement shall have no effect on any rights, immunities and other protections granted to the Trustee under the indentures governing the trusts. The Trustee shall have no duties or obligations under this Settlement Agreement except for such duties expressly set forth herein. Neither DB Trust nor any of its respective officers, directors, shareholders or agents shall be liable for any claim, liability, or obligation arising out of this Settlement Agreement except (i) to cause the payment of the Settlement Amount as provided herein and (ii) to comply with those terms expressly applicable to it under Sections 2 and 3 of this Settlement Agreement.

Section 10. Successors and Assigns. The provisions of this Settlement Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

Section 11. Amendment. This Settlement Agreement may only be amended, modified, superseded or canceled and any of the terms, covenants, representations, warranties or conditions hereof may be waived only by an instrument in writing signed by each of the Parties.

Section 12. Entire Agreement. This Settlement Agreement constitutes the entire agreement and understanding of the Trustee and the Parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to the subject matter hereof.

Section 13. Construction. This Settlement Agreement has been negotiated by the Parties and their respective legal counsel, and legal or equitable principles that might require the construction of this Settlement Agreement or any of its provisions against the Party responsible for drafting this Settlement Agreement will not apply in any construction or interpretation of this Settlement Agreement.

IN WITNESS WHEREOF, the undersigned have executed, or have caused to be executed, this Settlement Agreement on the date first written above.

THIS TRANSMITTAL CONTAINS IMPORTANT INFORMATION THAT IS OF INTEREST TO THE BENEFICIAL OWNERS OF THE SUBJECT SECURITIES. IF APPLICABLE, ALL DEPOSITORIES, CUSTODIANS AND OTHER INTERMEDIARIES RECEIVING THIS NOTICE ARE REQUESTED TO EXPEDITE RE-TRANSMITTAL TO SUCH BENEFICIAL OWNERS IN A TIMELY MANNER.

NOTICE OF MOTION PURSUANT TO SECTION 105(a) OF THE BANKRUPTCY CODE AND BANKRUPTCY RULE 9019 FOR AUTHORIZATION TO SETTLE CERTAIN PREPETITION DERIVATIVES CONTRACTS WITH LEHMAN BROTHERS HOLDINGS INC. AND CERTAIN OF ITS AFFILIATES

To the Certificateholders of the Issuers Listed on Schedule I
(*Classes and CUSIPs listed on Schedule I attached hereto*)

Ladies and Gentlemen:

Reference is made to each of the indentures listed on Schedule II (a “Transaction Document” and with the other transaction documents related to the indentures, collectively, the “Transaction Documents”) between the respective issuer (the “Issuer” and collectively, the “Issuers”) and Deutsche Bank National Trust Company, as indenture trustee (in such capacity, the “Trustee”). Capitalized terms used in this notice and not defined in this notice shall have the meanings assigned to such terms in the Transaction Documents.

You have been previously notified of the following events:

- (i) On September 15, 2008, Lehman Brothers Holdings Inc. (“LBHI”), an affiliate of the derivative counterparties (each a “Derivative Counterparty” and collectively, the “Derivative Counterparties”) and a guarantor of the 1992 ISDA Master Agreement with the Issuers listed on Schedule II (together with any schedules or related documents, each a “Derivative Contract” and collectively, the “Derivative Contracts”), filed a petition under Chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”). LBHI, the Derivative Counterparties and other affiliates are collectively referred to herein as the “Debtor.”

(ii) On October 3, 2008, the Derivative Counterparties filed a petition under Chapter 11 of the Bankruptcy Code with the Bankruptcy Court.¹

(iii) On October 3, 2010, the Derivative Counterparties filed an action in the Bankruptcy Court against the Issuers (the “Lehman Action”). In the Lehman Action, the Derivative Counterparties sought, among other relief, a declaratory judgment that provisions in Transaction Documents that would modify payment priorities to subordinate certain termination payments to the Derivative Counterparties constitute unenforceable *ipso facto* clauses and that any action to enforce payment priorities that subordinate payments to the Derivative Counterparties as a result of a bankruptcy filing violates the automatic stay under the Bankruptcy Code.

(iv) On September 1, 2011, the Bankruptcy Court entered an amended order approving the Disclosure Statement (the “Disclosure Statement”) for Third Amended Joint Chapter 11 Plan of LBHI and the Derivative Counterparties (the “Plan”). On December 6, 2011, Honorable James M. Peck of the Bankruptcy Court, United States Bankruptcy Court for the Southern District of New York confirmed the Plan. Copies of the Plan and the related Disclosure Statement, as well as other filings made in the Bankruptcy Court, may be obtained at <http://chapter11.epiqsystems.com>.

(v) On September 18, 2009, the Trustee filed on behalf of the respective Issuer proofs of claim with respect to certain claims related to the Derivative Contracts against LBHI and the Derivative Counterparties.

(vi) As more particularly set forth in a notice from the Trustee dated January 12, 2012, by letter dated October 6, 2011 through its counsel, the Derivative Counterparties made demand (the “Debtor’s Demand”) for payment for amounts allegedly owed under the Derivative Contracts from the Issuers. Among other things, the Derivative Counterparties asserted that (i) either the Derivative Contracts matured pursuant to its terms or was terminated by the Derivative Counterparties, (ii) a payment was owed to the Derivative Counterparties as a result thereof, (iii) if the Issuers did not pay all amounts alleged to be due to the Derivative Counterparties, Derivative Counterparties would take appropriate action in the Bankruptcy Court and (iv) interest accrued and continues to accrue on amounts alleged to be due to Derivative Counterparties at the rate of LIBOR plus 13.5%. The Debtor’s Demand also demanded that the Trustee, on behalf of the Issuers, agree to settle the Derivative Contracts and pay to Derivative Counterparties amounts enumerated in Debtor’s Demand (which amount includes interest as calculated by the Debtor). To date, the Trustee has not received any notice or direction from the Issuers or Certificateholders regarding any actions to be taken with respect to the Derivative Contracts.

NOTICE IS HEREBY GIVEN THAT:

1. Because of the circumstances described above and certain other issues involving other derivative contracts were being litigated or were subject to potential litigation in the Bankruptcy Court, for certain Derivative Contracts that had not been terminated, the Trustee, in consultation with counsel, withheld and continues to withhold payments purported to be owed to the Derivative Counterparties (the “Disputed Funds”) under the Derivative Contracts. For certain of the Issuers, the Trustee is currently holding the Disputed Funds in its capacity as escrow agent under an escrow arrangement, pursuant to which the escrow agent will only disburse the Disputed Funds upon a final order of the Bankruptcy Court.

¹ Copies of all filings made in the Bankruptcy Case may be obtained at <http://chapter11.epiqsystems.com> (the “Case Website”) and if not available on the Case Website, then such filings may be obtained by contacting the Clerk at the Bankruptcy Court.

2. The Debtor now seeks to settle the claims asserted against the Issuers alleged in the Lehman Action and the Debtor's Demand. On July 24, 2012, the Debtor filed that certain Notice of Motion Pursuant to Section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019 for Authorization to Settle Certain Prepetition Derivatives Contracts with Trusts for which Deutsche Bank National Trust Company Serves as Indenture Trustee and Related Relief (the "Motion") and accompanying proposed order (the "Proposed Order"). If the Motion is approved and the Proposed Order entered, the Debtor and the Trustee, on behalf of the Issuers, will enter into a settlement agreement (the "Settlement Agreement") pursuant to which the Debtor will settle claims asserted by it in the Lehman Action and the Debtor's Demand in exchange for the Issuers' release and payment of the Disputed Funds to the Debtor less reasonable and documented fees and expenses of the Issuers and excluding any interest asserted by the Debtor (the "Settlement Amount"). A copy of the Motion, Proposed Order and Settlement Agreement is attached to this Notice as Exhibit A. UPON MAKING THE PAYMENT OF THE SETTLEMENT AMOUNT TO THE DERIVATIVE COUNTERPARTIES, THE DERIVATIVE CONTRACTS AND ANY RELATED GUARANTEES OF LBHI SHALL BE DEEMED DISCHARGED AND TERMINATED FOR ALL PURPOSES AND BE OF NO FURTHER FORCE AND EFFECT. IN ADDITION, ALL CLAIMS OF EITHER THE ISSUERS OR THE DEBTOR AGAINST THE OTHER PARTY RELATED TO THE DERIVATIVE CONTRACTS WILL BE RELEASED, INCLUDING WITHOUT LIMITATION ANY PROOFS OF CLAIM FILED BY THE TRUSTEE ON BEHALF OF THE ISSUERS. MOREOVER, THE PROPOSED ORDER APPROVING THE SETTLEMENT AGREEMENT WILL PROVIDE THAT THE CERTIFICATEHOLDERS WILL BE PERMANENTLY ENJOINED FROM ASSERTING CLAIMS ARISING OUT OF THE NEGOTIATION AND IMPLEMENTATION OF THE SETTLEMENT AGREEMENT AGAINST THE PLAN ADMINISTRATOR (AS DEFINED THEREIN), LBHI, THE DERIVATIVE COUNTERPARTIES, THE TRUSTEE (IN SUCH CAPACITY OR IN ITS INDIVIDUAL CAPACITY) AND THEIR LEGAL COUNSEL AND/OR FINANCIAL ADVISORS.

3. A hearing (the "Hearing") to consider the Motion has been scheduled for August 23, 2012 at 10:00a.m. (EST) at the Bankruptcy Court located at the United States Bankruptcy Court, Alexander Hamilton Customs House, Courtroom 601, One Bowling Green, New York, New York 10004. At that hearing, your rights as a Certificateholder may be affected. You may wish to seek legal advice concerning the effect of the Motion on your legal rights as a Certificateholder. The above information is intended to be a summary of certain provisions in the Motion and other proceedings and does not purport to be complete and is subject to and qualified in its entirety by reference to the Motion. You should not rely on this notice as your sole source of information. Certificateholders are urged to review the Motion and Proposed Order. You must also be prepared to appear with your attorney at the Hearing to be heard on the grounds of your objection. Please be advised that the hearing to consider the Motion may be adjourned from time to time without further notice to creditors or parties-in-interest other than an announcement of the adjourned date at the hearing. Subject to the provisions of the Transaction Documents, unless the requisite Certificateholders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby, the Trustee shall be under no obligation to exercise any of the trusts or power vested in it by the Transaction Documents or to institute, conduct or defend any litigation hereunder or in relation hereto at the request, order or direction of any of the Certificateholders. TO THE HONORABLE JAMES M. PECK
 UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. (“LBHI” or the “Plan Administrator”), as Plan Administrator under the Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and Its Affiliated Debtors (the “Plan”), respectfully represents:

Preliminary Statement

1. After more than two years of discussions, negotiations and the initiation of litigation, Lehman Brothers Special Financing Inc. (“LBSF”) and Lehman Brothers Derivatives Products Inc. (“LBDP”), and together with LBSF, the “Lehman Counterparties”) have reached an agreement with Deutsche Bank National Trust Company (“DB Trust”), in its capacity as indenture trustee or trustee (the “Trustee”) for certain trusts, regarding the payments of the

amounts due to the Lehman Counterparties under certain interest rate swap agreements. The proposed settlement, as evidenced by a certain Settlement Agreement between the parties, dated July 24, 2012 attached hereto as Exhibit A (the “Settlement Agreement”), avoids the need for complex and costly litigation regarding certain issues relating to payments due to the Lehman Counterparties under their respective swap agreements that matured or terminated after the Commencement Date. The settlement represents a compromise among the parties regarding the payments on the swap agreements that, in the Plan Administrator’s business judgment, is in the best interests of LBSF, LBDP and their respective estates.

Background

2. Commencing on September 15, 2008, and periodically thereafter (as applicable, the “Commencement Date”), LBHI and certain of its subsidiaries (the “Chapter 11 Estates”) commenced with this Court voluntary cases under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”). These chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

3. On December 6, 2011, the Court approved and entered an order confirming the Plan. The Plan became effective on March 6, 2012. Pursuant to the Plan, the Plan Administrator is authorized to administer the assets of the LBSF and LBDP.

Jurisdiction

4. This Court has subject matter jurisdiction to consider and determine this motion pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

Relief Requested

5. The Plan Administrator requests authorization, pursuant to section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019 to enter into the Settlement Agreement

which provides for the settlement of the swap agreements identified on Exhibit B annexed hereto (the “Swap Agreements”) in the amounts set forth on Exhibit B (the “Settlement Amounts”).

The Swap Agreements

6. In the ordinary course of their businesses prior to the Commencement Date, LBSF and LBDP were active participants in the swap markets and entered into various types of swap agreements, including interest rate swaps. LBSF and LBDP are each party to one or more separate Swap Agreements with four of the trusts identified on Exhibit B attached hereto (the “Trusts”). Generally, under their respective Swap Agreements, the Lehman Counterparties had an obligation to pay to the Trusts a floating interest rate, based on one-month USD-LIBOR-BBA (“One Month LIBOR”), plus a specified spread on a specified amortizing notional amount. The Trusts had the obligation to pay to the applicable Lehman Counterparty a fixed rate of interest on the same notional amount. LBHI guaranteed the applicable Lehman Counterparties’ obligations under each Swap Agreement.¹ DB Trust serves as Trustee for each of the Trusts.

Events Relating to the Swap Agreements Subsequent to the Commencement Date

7. Subsequent to the Commencement Date, as indicated on Exhibit B, five of the Swap Agreements matured in accordance with their own terms (the “Matured Swaps”) and three of the swap agreements were terminated by LBDP (the “Terminated Swaps”) by sending notices of termination to the respective Trusts.

8. Due to low prevailing One Month LIBOR rates since the Commencement Date, with respect to the Matured Swaps, the Lehman Counterparties were “in the money” on their respective Swap Agreements each payment date prior to the applicable maturity date. As a

¹ The descriptions of the Swap Agreements are provided for summary purposes only. To the extent that the descriptions of the Swap Agreements in this Motion conflict with the terms of a particular Swap Agreement, the terms of such Swap Agreement shall control.

result, the Lehman Counterparties assert that, generally, on each payment date specified in the Swap Agreements the Trusts were obligated to make a net payment to the applicable Lehman Counterparty. Prior to the applicable maturity dates, the Trusts did not make the required monthly payments to such Lehman Counterparty under the Swap Agreements, and instead, escrowed or otherwise set aside such payments. As of the date hereof, the Trusts that are party to the Matured Swaps have retained approximately \$39.6 million in the aggregate as payments due to LBSF and \$3.5 million as payments due to LBDP under the Matured Swaps. The Plan Administrator agrees that the amounts set aside are the correct amounts that were payable on such payment dates under the Matured Swaps.

9. As to the Terminated Swaps, on September 16, 2008, LBDP sent a notice of termination to the Trusts and Trustee terminating the Terminated Swaps. On September 25, 2008, LBDP sent a statement indicating the termination amount of \$717,055.64 in the aggregate and demanding payment such amount. The Trustee requested that LBDP provide additional information supporting such calculations. Because of certain disputes with respect to the interpretation of the transaction documents and applicable law, each Trust continued to distribute amounts otherwise payable to LBDP to the applicable holders of notes issued by such Trust. As a result, these Trusts do not have funds set aside that are available to distribute to LBDP.

10. The Trustee asserts that the Trusts have withheld payments from the Lehman Counterparties on the grounds that each Swap Agreement provides that upon an event of a default by the applicable Lehman Counterparty, such Lehman Counterparty's right to payment is either modified or eliminated. The Lehman Counterparties contest the enforceability of such provisions and assert that the Trusts did not have the right to withhold payment under the Swap Agreements prior to maturity or upon their termination based on the occurrence of events of

default caused by the bankruptcy filing of the applicable Lehman Counterparty. Despite the arguments of the Lehman Counterparties, the repeated demands for payment, and the Bankruptcy Court's ruling in the *Motion of Lehman Brothers Special Financing Inc. to Compel Performance of Metavante Corporation's Obligations under Open Derivatives Contract*, Hr. Tr. Sept 15, 2009, the Trusts have thus far refused to make the required payments. LBDP also contests the enforceability of the modification of its payment rights to having a lower payment priority than security holders, and asserts that the Court previously ruled on such matter in *See, LBSF v. BNY Corp. Tr. Serv.*, 422 B.R. 407 (Bankr. S.D.N.Y. 2010). The Trustee asserts that the factual circumstances of the Swap Agreements distinguish their Swap Agreements from the agreements subject to the above rulings and have asserted other defenses to payment.

11. The Lehman Counterparties assert that interest has continued to accrue on the amounts due and unpaid under the Swap Agreements at the default interest rate. Section 2(e) of each Swap Agreement provides that "a party that defaults in the performance of any payment obligation will . . . be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand . . . for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate" (as that term is defined in the Agreement). The Trustee disputes the accrual of interest on such amounts and the rate asserted by the Lehman Counterparties.

12. On October 1, 2010, LBSF and LBDP filed an adversary proceeding, Adv. P. No. 10-03809 (the "Swap Agreement Adversary Proceeding"), against the Trustee and certain of the Trusts (collectively, the "Swap Defendants") alleging, among other things, that the Swap Defendants were the recipients of avoidable transfers relating to certain of the Swap Agreements. The Swap Agreement Adversary Proceeding has been stayed by order of this Court.

The Settlement

13. Pursuant to the Settlement Agreement, the Lehman Counterparties and the Trustee on behalf of the Trusts have agreed that each Trust will pay the applicable Lehman Counterparty the respective Settlement Amount. The Settlement Agreement provides that the Settlement Amount for each Trust is equal to (a) 100% of the cash withheld by the Trust on account of payments under its Swap Agreement, less (b) reasonable and documented fees and expenses of the Trust, and excluding (c) any interest. To the extent the Swap Agreements with LBDP were terminated and the applicable Trusts did not set aside any amounts as payments due under their Swap Agreements, the Settlement Amount for such Trusts is \$0.

14. The Settlement Agreement resolves all amounts due under the Swap Agreements. As a result, pursuant to the Settlement Agreement, (a) the proofs of claim filed by each Trust against LBSF, LBDP and LBHI on account of the Swap Agreements and the guarantees thereof (Claim Nos. 18492, 18497, 18494, 18540, 18512, 18498, 18500, 18501, 18503, 18505, 18507, 18491, 18495, 18493, 18510, 18514, 18496, 18499, 18502, and 18506) (the “Claims”) will be disallowed and expunged, (b) the Swap Agreement Adversary Proceeding will be dismissed, and (c) other than those obligations arising under the Settlement Agreement, the parties release each other from all other claims arising from or relating to the Swap Agreements, the Transactions thereunder, or any guarantee thereof, their negotiation, execution, performance, any breaches (or claimed breaches) thereof or thereunder, or their termination.

15. The Plan Administrator, on behalf of the Lehman Counterparties, is authorized to settle the Swap Agreements without further Court approval pursuant to the Plan. However, the Trustee has agreed to the terms of the proposed settlement and the Settlement Amounts, subject to the filing of this Motion, which provides the holders of the notes issued by the Trusts with notice of, and an opportunity to object to, the proposed settlement. The Trustee

has notified holders of notes issued by the Trusts and requested that they provide instruction with respect to the Swap Agreements, but has received no response and has not been directed by such holders to take or refrain from taking any specific actions with respect to the Swap Agreements since the Commencement Date.

**Settlement of the Swap Agreements Is Reasonable and
in the Best Interests of LBSF's and LBDP's Estates and Their Creditors**

16. The settlement of the Swap Agreements in the Settlement Amounts should be approved under section 105(a) of the Bankruptcy Code and Bankruptcy Rule 9019. Section 105(a) of the Bankruptcy Code provides that “[t]he court may issue any order that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). Bankruptcy Rule 9019 provides, in part, that “[o]n motion by the [debtor-in-possession] and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). In granting a motion pursuant to Rule 9019(a), a court must find that the proposed settlement is fair and equitable and is in the best interests of the estate. *Protective Comm. for Indep. Stockholders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968); *Fisher v. Pereira (In re 47-49 Charles St., Inc.)*, 209 B.R. 618, 620 (S.D.N.Y. 1997); *In re Ionosphere Clubs, Inc.*, 156 B.R. 414, 426 (S.D.N.Y. 1993), *aff'd*, 17 F.3d 600 (2d Cir. 1994).

17. The decision to approve a particular settlement lies within the sound discretion of the bankruptcy court. *Nellis v. Shugrue*, 165 B.R. 115, 123 (S.D.N.Y. 1994). It is the responsibility of a court to examine a settlement and determine whether it “falls below the lowest point in the range of reasonableness.” *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983); *In re Spielfogel*, 211 B.R. 133, 144 (Bankr. E.D.N.Y. 1997). Additionally, a court may exercise its discretion “in light of the general public policy favoring settlements.” *In re Hibbard Brown & Co., Inc.*, 217 B.R. 41, 46 (Bankr. S.D.N.Y. 1998).

18. While a court must “evaluate … all … factors relevant to a fair and full assessment of the wisdom of the proposed compromise,” *Anderson*, 390 U.S. at 424-25, a court need not conduct a “mini-trial” of the merits of the claims being settled, *W.T. Grant Co.*, 699 F.2d at 608, or conduct a full independent investigation. *Drexel Burnham Lambert Group*, 134 B.R. at 496. “[T]he bankruptcy judge does not have to decide the numerous questions of law and fact. . . . The court need only canvass the settlement to determine whether it is within the accepted range of reasonableness.” *Nellis v. Shugrue*, 165 B.R. at 123 (internal citations omitted).

19. The court may give weight to the “informed judgments of the … debtor-in-possession and their counsel that a compromise is fair and equitable, and consider the competency and experience of counsel who support the compromise.” *Drexel Burnham Lambert Group*, 134 B.R. at 505 (internal citations omitted); *see also In re Purofied Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993); *accord In re Ashford Hotels Ltd.*, 226 B.R. at 802 (“Significantly, that test does not contemplate that [the court] substitute [its] judgment for the Trustee’s, but only that [the court] test his choice for reasonableness.... If the Trustee chooses one of two reasonable choices, [the court] must approve that choice, even if, all things being equal, [the court] would have selected the other.”).

20. The settlement of the Swap Agreements will resolve disputes between the Lehman Counterparties and the Trustee that have been ongoing for more than two years, and will result in LBSF receiving \$38,610,271.40 and LBDP receiving \$3,255,537.54 that will be distributed to creditors of such estates. The settlement results in LBSF and LBDP receiving all amounts (less certain fees and expenses of the Trustee) due to them under their respective Swap Agreements that has been set aside by the Trusts. In order to receive such amounts without

complex and costly litigation, the Plan Administrator has agreed to forego its request for default interest accrued on the amounts due from the Trusts.

21. Inasmuch as LBDP terminated three of the Swap Agreements shortly following LBHI's Commencement Date, it is only entitled to collect the termination payments asserted in the valuation statements provided to the Trusts. These Trusts have continued to make distributions to the holders of the notes since the Commencement Date and have not set aside any cash on account of the Swap Agreements. The amount set aside on account of the one LBDP Matured Swap that will be paid to LBDP under the settlement exceeds the total amount asserted as due to LBDP on the four LBDP Swap Agreements. As a result, the Plan Administrator has determined that the litigation risk and the cost and expense of seeking to recover amounts on account of the Terminated Swaps, and recoveries from such litigation, if any, are outweighed by the potential recovery to LBDP under the settlement.

22. Accordingly, the Plan Administrator has determined that it is in the best interests of each of LBSF and LBDP, their estates and creditors to settle the Swap Agreements. The Settlement Amounts are the product of the well-informed judgment by the Plan Administrator and supported by its professionals. In light of these factors and in furtherance of the Plan Administrator's duties to maximize the value of the assets of the chapter 11 estates, the settlement of the Swap Agreements is an exercise of sound business judgment, satisfies the standards for approval of settlements under Bankruptcy Rule 9019, and should be approved.

23. In addition, the Plan Administrator and the Trustee seek to have the settlement of the Swap Agreements binding on all holders of notes issued by the Trusts. The Trustee is providing notice of the settlement of the Swap Agreements and the respective Settlement Amounts to all registered holders of notes issued by the Trusts, and all other holders

who have identified themselves to the Trustee, in accordance with standard procedures with respect to notices, and advising such holders of the filing of this Motion and of their respective opportunity to object thereto. The Trustee has informed the Plan Administrator that it will file an affidavit setting forth the steps taken by the Trustee to provide notice to the holders of the notes issued by the Trusts

Notice

24. No trustee has been appointed in these chapter 11 cases. The Plan Administrator has served notice of this Motion on (i) the U.S. Trustee; (ii) the Securities and Exchange Commission; (iii) the Internal Revenue Service; (iv) the United States Attorney for the Southern District of New York; (v) the Trustee; (vii) the Trusts, and (viii) all other parties entitled to notice in accordance with the procedures set forth in the second amended order entered on June 17, 2010 governing case management and administrative procedures for these cases [Docket No. 9635]. The Plan Administrator submits that no other or further notice need be provided.

25. No previous request for the relief sought herein has been made by the LBSF, LBDP or the Plan Administrator to this or any other court.

WHEREFORE the Plan Administrator respectfully requests that the Court grant the relief requested herein and such other and further relief as is just.

Settlement Agreement

SETTLEMENT AGREEMENT

This Settlement Agreement (the “Settlement Agreement”) is made and entered into as of July 24, 2012 by and between Lehman Brothers Holdings Inc. (“LBHI”), Lehman Brothers Special Financing Inc. (“LBSF”), Lehman Brothers Derivatives Products Inc. (“LBDP”) and Deutsche Bank National Trust Company (“DB Trust”), solely in its capacity as indenture trustee or trustee (the “Trustee”) for the trusts identified on Exhibit A attached hereto (the “Trusts”) (each of LBHI, LBSF, LBDP and the Trustee, a “Party” and collectively, the “Parties”). Capitalized terms not defined herein shall have the meaning ascribed to them in the Indenture.

RECITALS:

WHEREAS, LBSF or LBDP entered into one or more swap transactions (the “Transactions”) with certain of the Trusts, which agreements are identified on Exhibit A attached hereto (the “Swap Agreements”).

WHEREAS, LBHI guaranteed the obligations of LBSF and LBDP, as applicable, under the Swap Agreements.

WHEREAS, commencing on September 15, 2008 (the “Commencement Date”) and thereafter, LBHI and various of its affiliates, including LBSF and LBDP, filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Cases”).

WHEREAS, on September 16, 2008 and September 25, 2008, LBDP delivered notice of termination to the Trustee and the applicable Trusts terminating three of the Swap Agreements as indicated on Exhibit A.

WHEREAS, as indicated on Exhibit A, five of the Swap Agreements matured in accordance with their terms subsequent to the Commencement Date.

WHEREAS, the Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and its Affiliated Debtors (the “Plan”) was confirmed by the Bankruptcy Court on December 6, 2011 and became effective on March 6, 2012.

WHEREAS, the Parties understand and acknowledge that the effectiveness of this Settlement shall be subject to the entry by the United States Bankruptcy Court of an order approving this Settlement Agreement.

NOW, THEREFORE, in consideration of the recitals set forth above and promises made herein, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

Section 1. Direction and Payment.

(a) The Trustee, on behalf of the Trusts shall pay to LBDP and LBSF, as applicable, the amounts set forth on Exhibit A attached hereto without deduction, set-off or counterclaim (the “Settlement Payments”) within three (3) Business Days of the Effective Date (as defined below) using the wire transfer instructions set forth on the attached Exhibit B.

(b) The Parties acknowledge that the Settlement Amount for each Trust is equal to (i) 100% of the cash withheld by the Trust on account of payments under its Swap Agreement, less (ii) reasonable and documented fees and expenses of the Trust, and excluding (iii) any interest. To the extent the Swap Agreements with LBDP were terminated following the Commencement Date and the applicable Trusts did not set aside any amounts as payments due under their Swap Agreements, the Settlement Amount for such Trusts is \$0.

Section 2. Release.

(a) Upon making the payment of the Settlement Amount to LBSF or LBDP, as applicable, the Swap Agreements (including for the avoidance of doubt, all Transactions thereunder) and any guarantee thereof issued by LBHI shall be deemed discharged and terminated for all purposes and be of no further force and effect.

(b) This Settlement Agreement is entered into for settlement purposes only. Nothing contained herein shall be deemed an admission of any kind (whether an admission of liability or otherwise) by the Parties, or any of their affiliates, officers, directors or agents, in connection with and any all rights, remedies, claims, issues or defenses of the Parties regarding the Swap Agreements, the Transactions thereunder, or the indentures. In furtherance of and without limiting the generality of the foregoing, nothing herein shall constitute, or be deemed or construed to be, an agreement (or otherwise to create any obligation) on the part of any Party, including the Trustee, whether as Trustee or in any other capacity, to agree to any terms, or to enter into any agreement, or to take (or forbear from) any action with respect to any matter not explicitly provided for herein.

(c) In consideration of each other Party’s execution of this Settlement Agreement and payment of the Settlement Amounts without deduction, setoff or counterclaim to LBDP and LBSF, as applicable, each Party hereby generally releases, discharges and acquits each other Party (including DB Trust, individually and as Trustee and in any other capacity with respect to the Transactions) and their respective current and former agents, servants, officers, directors, shareholders, employees, subsidiaries, divisions, branches, units, parents, attorneys, successors, predecessors, heirs, personal representatives, and assigns (collectively, the “Released Transaction Parties” and each of the foregoing, is a “Released Party”), from all manners of action, causes of action, judgments, executions, debts, demands, rights, damages, costs, expenses, and claims of every kind, nature, and character whatsoever, whether in law or in equity, whether based on contract (including, without limitation, quasi-contract or estoppel), statute, regulation, tort (including, without limitation, intentional torts, misrepresentation, defamation, breaches of alleged fiduciary duty, recklessness, gross negligence, or negligence, but excluding fraud or willful misconduct) or otherwise, accrued or unaccrued, known or unknown, matured, unmatured, liquidated or unliquidated, certain or contingent (collectively “Claims”), that such releasing Party

ever had or claimed to have, or now has or claims to have presently or at any future date, against any Released Party arising under or related to the Swap Agreements, the Transactions thereunder, or any guarantee thereof, their negotiation, execution, performance, any breaches (or claimed breaches) thereof or thereunder, or their termination.

Section 3. Settlement of Claims.

(a) The proofs of claim filed by the Trusts and the Trustee based on the Swap Agreements against LBSF, LBDP and LBHI (Claim Nos. 18492, 18497, 18494, 18540, 18512, 18498, 18500, 18501, 18503, 18505, 18507, 18491, 18495, 18493, 18510, 18514, 18496, 18499, 18502, and 18506) shall be disallowed and expunged, and the court-appointed claims agent is authorized to modify the claims register accordingly.

(b) Within seven (7) days of the receipt of the Settlement Payments, LBSF and LBDP shall dismiss all applicable adversary proceedings filed against the Trustee and the Trusts.

Section 4. Representations. Each Party represents and warrants to each other Party that (i) subject to section 6 hereof, the execution, delivery, and performance by such Party of this Settlement Agreement are within the powers of such Party and have been duly authorized by all necessary action on the part of such Party, (ii) this Settlement Agreement has been duly executed and delivered by such Party and constitutes a valid and binding obligation of such Party, enforceable against such Party in accordance with the terms hereof, (iii) it is not relying upon any statements, understandings, representations, expectations, or agreements other than those expressly set forth in this Settlement Agreement, the Indemnity Agreement and documents delivered in connection therewith (iv) it has made its own investigation of the facts and is relying upon its own knowledge and the advice of its counsel, and (v) it knowingly waives any and all claims that this Settlement Agreement was induced by any misrepresentation or non-disclosure and knowingly waives any and all rights to rescind or avoid this Settlement Agreement based upon currently existing facts, known or unknown. The Parties agree and stipulate that each Party is relying upon the representations and warranties in this Section in entering into the Settlement Agreement. Furthermore, the Parties agree that these representations and warranties are a material inducement for entering into this Settlement Agreement. These representations and warranties shall survive the execution of this Settlement Agreement indefinitely without regard to statutes of limitations.

Section 5. Execution in Counterparts. This Settlement Agreement may be executed in any number of counterparts and by different Parties in separate counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which taken together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page by facsimile or PDF transmission shall be as effective as delivery of a manually executed counterpart.

Section 6. Effectiveness. The Parties agree that the effectiveness of this Settlement Agreement is subject to the entry of an order (“Order”) by the Bankruptcy Court, in form and substance reasonably acceptable to the Parties, approving the terms of this Settlement Agreement under Rule 9019 of the Federal Rules of Bankruptcy Procedure (“Bankruptcy Rules”), which Order has become final and non-appealable or, if a timely appeal is filed, upon dismissal of such

appeal or the affirmance of the Order on appeal with no further opportunity to appeal (the “Effective Date”). The Parties further agree that at any time prior to the hearing seeking the entry of the Order, the Trustee may, upon the objection of certificateholders holding at least 10% in the aggregate of the outstanding principal amount of any class of certificates of a Trust (which has not otherwise been resolved prior to the entry of the Order), withdraw a particular Trust from this Settlement Agreement. The Trustee shall promptly provide notice to LBSF or LBDP, as applicable, of any such objection to the settlement the Trustee receives from certificateholders. For purposes of clarity, the withdrawal of any Trust from the terms of this Settlement Agreement shall not affect the terms of this Settlement Agreement with respect to any remaining Trusts.

Section 7. Governing Law. This Settlement Agreement will be construed and enforced in accordance with, and the rights of the Parties shall be governed by, the laws of the State of New York (including Section 5-1401 of the New York General Obligations Law), without regard to conflicts of laws principles that would require the application of the law of another jurisdiction. The Bankruptcy Court shall have exclusive jurisdiction over any action or proceeding with respect to this Settlement Agreement and each Party agrees to submit to such jurisdiction and to waive any defense based on the location or jurisdiction of such court.

Section 8. Special Provision for Unknown Claims. All rights under Section 1542 of the California Civil Code, or any analogous state or federal law, are hereby expressly WAIVED, if applicable, with respect to any of the claims, injuries, or damages described in the release in Section 2. Section 1542 of the California Civil Code reads as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.”

Section 9. Execution by Trustee. The Trustee is executing this Agreement solely in its capacity as the Trustee and not in its individual capacity. This Settlement Agreement shall have no effect on any rights, immunities and other protections granted to the Trustee under the indentures governing the trusts. The Trustee shall have no duties or obligations under this Settlement Agreement except for such duties expressly set forth herein. Neither DB Trust nor any of its respective officers, directors, shareholders or agents shall be liable for any claim, liability, or obligation arising out of this Settlement Agreement except (i) to cause the payment of the Settlement Amount as provided herein and (ii) to comply with those terms expressly applicable to it under Sections 2 and 3 of this Settlement Agreement.

Section 10. Successors and Assigns. The provisions of this Settlement Agreement will be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

Section 11. Amendment. This Settlement Agreement may only be amended, modified, superseded or canceled and any of the terms, covenants, representations, warranties or conditions hereof may be waived only by an instrument in writing signed by each of the Parties.

Section 12. Entire Agreement. This Settlement Agreement constitutes the entire agreement and understanding of the Trustee and the Parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to the subject matter hereof.

Section 13. Construction. This Settlement Agreement has been negotiated by the Parties and their respective legal counsel, and legal or equitable principles that might require the construction of this Settlement Agreement or any of its provisions against the Party responsible for drafting this Settlement Agreement will not apply in any construction or interpretation of this Settlement Agreement.

IN WITNESS WHEREOF, the undersigned have executed, or have caused to be executed, this Settlement Agreement on the date first written above.
